* Students may use open elective as opportunities to take advanced studio, arts policy or art application coursework.

Admittance in the BAE (Bachelor of Art Education) is competitive, by application.

To apply to the BAE program, you must first be admitted to the BA or BFA art program and have completed Art Ed 2250. Other requirements for application are listed in the *BAE with Licensure Information, Handbook, and Application Packet*.

You must follow the requirements of the BAE program, and schedule and complete a consultation with an Arts Advisor to ensure compliance. Prior to applying to the BAE, you must have this form completed, signed, and dated by an Arts Advisor. That copy must be included in the application materials for the BAE. A meeting with the Chair of the Undergraduate Art Education and Licensure Committee is also recommended.
