Good afternoon,

On Friday, November 12, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed a proposal to revise the Bachelor of Art Education with Licensure.

The Panel did not vote on the proposal as they would like the following points addressed:

- The advising sheet should be revised to reflect new GE categories and appropriate number of credit hours under the new GE; this will require more electives.
- Course title changes should be submitted in curriculum.osu.edu with both old and new sample syllabi; any more substantial changes require Panel review.
- The new Art Education 5442 course needs to appear on the new Curriculum Map.
- The Panel recommends including embedded literacies on the advising sheet if the department has decided on what these will be.

In order to address the Panel's requests, please submit revisions to Bernadette Vankeerbergen, Assistant Dean for Curriculum (cc'd here) and myself.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail), or me.

Best,  
Emily
