Good morning,

On Thursday, November 4<sup>th</sup>, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for Education: Teaching and Learning 5101.

The Panel did not vote on the proposal as they would like the following feedback items addressed:

- The Panel is unconvinced that the course successfully addresses the goals and expected learning outcomes of the LVPA category of the new GE. They ask the department to engage more directly with the GE Goals and ELOs when designing course assignments and topics, as they currently find the course to be focused almost entirely on pedagogy.
- The Panel requests that a space for instructor information, meeting time, and meeting dates be added to the course syllabus.
- The Panel requests that the correct GE Goals and ELOs be added, as well as a statement below them that explains how the course will satisfy the GE ELOs, as currently on page 1 of the syllabus the GE Goals are listed as ELOs.
- The Panel recommends utilizing the most up-to-date Title IX statement, which can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/curriculum/syllabus-elements>

I will return Education: Teaching and Learning to the departmental queue via curriculum.osu.edu in order to address the Panel's concerns.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best,  
Michael
