Good morning,

The revision to Dance 3490 has been received and reviewed by ASCC Arts and Humanities 1 faculty Chair David Staley. Unfortunately, he has determined that not all of the Panel's contingencies have been fully satisfied. Please see below for his feedback:

- While the contact hours have been listed on the course syllabus, there still is not enough information regarding the course materials. The Panel would like to see the course materials for the entire course, and not simply a sampling, and where these course materials fall on the course calendar.

I will return Dance 3490 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback as listed above. Please do not hesitate to reach out to either myself or David Staley, who is cc'd to this email, should you have any questions.

Thank you and we look forward to receiving your revision.

Best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the

Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.

Subject: Dance 3490

Good morning,

On Thursday, November 4th, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for Dance 3490.

The Panel unanimously approved the request with two contingencies:

- **Contingency:** The Panel was unable to make a determination of contact hours, and requests that frequency and duration of course sessions per week is added to the course syllabus.
- **Contingency:** The Panel requests that the course materials, which are stated as being on and linked to a Carmen webpage, be provided within the course syllabus. The Panel is unable to access these materials and needs to review these materials in order to properly access the course.

I will return Dance 3490 to the departmental queue via curriculum.osu.edu in order to address the Panel's concerns.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best,
Michael
