---

Good morning,

On Thursday, November 4<sup>th</sup>, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for Health and Rehabilitation Science 2530.

The Panel did not vote on the proposal as they would like the following feedback items addressed:

- The Panel requests that a statement be added under the GE Goals and ELOs that explains how the course will satisfy the GE ELOs. This is a requirement of General Education courses set by the College of Arts and Sciences.
- The Panel was unable to fully read the text beginning on page 11 of the syllabus, as it appears that the text boxes are cut off. The Panel requests that this be corrected and resubmitted for review.
- The Panel requests that the required Academic Misconduct and Disability Services statement be added to the syllabus, as this is a requirement for courses reviewed by the College of Arts and Sciences. These statements can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/curriculum/syllabus-elements>.
- The Panel found the weighed grading scale to be confusing and suggests clarifying the way course assignments are weighted for students.

I will return Health and Rehabilitation Science 2530 to the departmental queue via [curriculum.osu.edu](http://curriculum.osu.edu) in order to address the Panel's concerns.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best,  
Michael
