Good afternoon,

On Thursday, November 4, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed the course proposal for Communication 2850.

The Panel unanimously approved the course request with *five (5) recommendations*:

- *Recommendation: The Panel suggests notifying departments that use this course about the number/level change from 3000 to 2000.*
- *Recommendation: The Panel recommends including the page count for all readings in the course schedule.*
- *Recommendation: The Panel recommends removing any reference to an “OSU standard grading scheme,” as Ohio State does not have a standardized grading scheme.*
- *Recommendation: The Panel notes that they syllabus should include all of the correct and complete goals and ELOs for the Citizenship for a Diverse and Just World theme – as well as a small narrative description of how the class intends to meet these ELOs. The Themes Panel will bring this up as a feedback item. For future submissions, please make sure that all necessary goals/ELOs appear on the syllabus. The complete list of goals and ELOs are available here: <https://oaa.osu.edu/ohio-state-ge-program>*
- *Recommendation: The Panel recommends that the department include the most up-to-date version of the University’s Title IX statement, which can be found here: <https://asccas.osu.edu/curriculum/syllabus-elements>*

Communication 2850 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Mat Coleman (faculty Chair of the SBS Panel; cc’d on this e-mail), or me.

Best,  
Emily
