Good afternoon,

On Friday, November 12, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the course proposal for Communication 1101. Please find below the Panel's feedback for this course.

COMMUNICATION 1101 | Unanimously denied

- While the Panel recognizes and appreciates that the department is approaching this introductory course with some attention to modern history as it relates to developments in communication, they do not feel that the course sufficiently engages the goals and ELO's of the GE Foundations: Historical Studies category.
- The Panel believes that this course will not be able to sufficiently address the goals and ELO's of the GE Foundations: Historical Studies category and they respectfully decline the submission.

I will return Communication 1101 to the department queue via curriculum.osu.edu in order that the request might be cancelled.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,  
Emily
