Good morning,

On Friday, February 25th, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Sustainability proposal for Philosophy 2342. Please see below for the Panel's feedback:

Philosophy 2342 approved with two recommendations. As a reminder, the Panel's recommendations do not need to be addressed at this time to continue through the approval process and may be implemented when the course is next taught.

- **Recommendation:** The reviewing faculty recommend that the listed course topics better reflect sustainability content that is within the course schedule but not included in the course topic list.
- **Recommendation:** The reviewing faculty ask that more clarification be provided on which aspects of the course will be used to satisfy the GE ELOs.

Philosophy 2342 will continue through the approval process.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the Themes Panel, Maria Conroy, faculty Chair of the Theme Advisory Group: Sustainability, or myself.

Best,
Michael
