Good morning,

On Monday, October 10, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Lived Environments with Interdisciplinary Team-Teaching High-Impact Practice request for Music 3352. Please see below for the Panel's feedback.

MUSIC 3352 | Unanimously approved with *two (2) recommendations*

- *RECOMMENDATION: The reviewing faculty recommend clarifying the length of reading assignments by providing page numbers.*
- *RECOMMENDATION: The Arts and Sciences Curriculum Committee recently approved newly updated standard syllabus statements. The reviewing faculty kindly note that the mental health and SLDS statements provided are not the latest versions, and suggest revising them accordingly to ensure that the most current language and information appears for these student resources. The link to these updated syllabus statements can be found here on the ASC Curriculum and Assessment Services website: <https://ascas.osu.edu/curriculum/syllabus-elements>*

Music 3352 will continue through the approval process.

Should you have any questions regarding this feedback, please do not hesitate to contact Jim Fredal, faculty Chair of the ASCC Themes Panel; Lorraine Wallace, faculty Chair of the Theme Advisory Group: Lived Environments; or myself.

Best,
Emily

Emily K. Cody, Ph.D.
