Good morning,

On Friday, April 1st, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Health and Wellbeing proposal for Philosophy 2456. Please see below for the Panel's feedback:

The Panel did not vote on the request and would like the following feedback addressed:

- The reviewing faculty request that additional information and a clearer explanation be provided for how the ELOs for the Theme will be met in the proposal. For example, it does not appear that Theme-specific ELO 1.1 is specific enough in answering how they will meet the objective of the ELO.
- The reviewing faculty ask that a cover letter be provided that detail the changes made in response to this feedback.

I will return Philosophy 2456 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes Panel, Megan Amaya and Eden Lin, faculty co-Chairs of the Theme Advisory Group: Health and Wellbeing, or myself.

Best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
