---

Good afternoon,

On Friday, January 28<sup>th</sup>, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Health and Wellbeing Proposal for History 2703. Please see the Panel's feedback for the courses below:

- History 2703 was approved with two contingencies. As a reminder, a revision must be submitted that addresses the Panel's contingencies in order for the course to continue through the approval process.
  - **Contingency:** The Panel requests ELO 1.2 be added to the course syllabus and a statement explaining how the course meets all GE Theme: ELOs be added as well. These are a requirement of the College of Arts and Sciences and can be found on the Office of Academic Affairs website at: <https://oaa.osu.edu/ohio-state-ge-program>.
  - **Contingency:** The Panel requests that the letter grade of D- be removed from the grading scale, as Ohio State does not award that as a letter grade.

I will return History 2703 to the departmental queue in order to address the Panel's feedback items.

Should you have any questions, please do not hesitate to contact Jim Fredal, faculty Chair of the Themes Panel, Eden Lin and Megan Amaya, faculty Co-Chairs of the Theme Advisory Group: Health and Wellbeing, or myself.

Best,  
Michael
