Subject: Revision to Bachelor of Art Education with Licensure and Name change of the in-person MA in Art Education
Date: Monday, February 7, 2022 3:23:00 PM
Attachments: [image001.png](#)

Good afternoon,

On Thursday, January 27th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed proposals for the Revision to Bachelor of Art Education with Licensure and a name change of the in-person MA in Art Education. Please see below for the Panel's feedback:

- Revision to the Bachelor of Art Education with Licensure was unanimously approved with one recommendation:
 - **Recommendation:** The Panel recommends clarifying, on the Legacy GE program advising sheet, that students are not required to take a biological science laboratory but rather have an option to fulfill the laboratory requirement with a physical science lab should they choose to do so.
- Name change of the in-person MA in Art Education was unanimously approved.

It is customary for a representative from the department to attend the full ASCC meeting to answer any questions from Committee members regarding the program changes. Shari, would you be available to attend our next full ASCC meeting, on Friday, February 18th, between 9:00am-11:00am? Please let myself and Bernadette Vankeerbergen, cc'd here, know at your earliest convenience.

Should you have any questions, please do not hesitate to reach out to Eugenia Romero, faculty Chair of the Arts and Humanities 2 Panel, or myself.

Best,
Michael
