Good afternoon,

On Thursday, February 10, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "What's Love Got to Do With It? Women, Men, and Romance."

The Panel unanimously approved the proposed seminar with two contingencies:

- **On the top of page 2 of the syllabus, there is mention of S/U grading, but on page 4 there is an A-E grading scale. A course numbered 1137 needs to be graded A-E; if the intention is to teach/grade the class as S/U, however, the course needs to be renumbered as a 1138. Please indicate one or the other of these options, as this affects the catalogue number.**
- **In the event that the course will be taught S/U, please include statements in the syllabus outlining what earns an S grade vs. a U grade so students have a clear sense of what they must do to pass the class.**

Please send the revised syllabus to me, and I will then submit it for final approval.

Should you have any questions about this feedback, do not hesitate to contact Eugenia Romero (faculty Chair of the A&H2 Panel, cc'd here), or me.

Best,
Emily
