Good afternoon,

On Wednesday, February 23rd, the Race, Ethnicity and Gender Diversity Panel of the ASC Curriculum Committee reviewed a new GE: REGD proposal for SASIA 2230. Please see below for the Panel's feedback email:

SASIA 2230 unanimously approved with one comment and two recommendations. As a reminder, the Panel's recommendations can be implemented when the course is next taught and no further action is required for the proposal to continue through the approval process.

- **Comment:** The Panel would like to commend the department on a well-designed and compelling course that centers South Asian representation.
- **Recommendation:** The Panel recommends that the department correct the name of the GE category to read "GE Foundations: Race, Ethnicity, and Gender Diversity" (syllabus pg. 2. under "GE Goals and Outcomes").
- **Recommendation:** The Panel recommends that the department include more of the language present in the GE Proposal Form in the syllabus so that students understand a little more clearly how the course is centered around REGD issues.

SASIA 2230 will continue through the approval process.

Should you have any questions, please do not hesitate to reach out to Richard Fletcher, faculty Chair of the REGD Panel, or myself.

Best,
Michael
