Good morning,

On Tuesday, February 1, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed the course proposal for ASC 1411. Please find below the Panel's feedback for this course. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

ASC 1411 | Unanimously approved with **one (1) contingency** and *two (2) recommendations*

- **Contingency: The Panel requests that on page 2 of the syllabus the language regarding credit hours be adjusted to correspond with a 1-hour course, which for this half-term course should be approximately six hours of work per week.**
- *Recommendation: The Panel recommends further clarifying the way extra credit operates in the course by creating separate breakdowns for regular points and bonus points to prevent confusion.*
- *Recommendation: The Panel recommends providing a suggested guideline for how many modules a student might want to work through each week at minimum.*

I will return ASC 1411 to the department queue via [curriculum.osu.edu](http://curriculum.osu.edu) in order to address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Mat Coleman (faculty Chair of the SBS Panel; cc'd on this e-mail) or me.

Best,  
Emily
