Good afternoon,

On Thursday, February 17, the Assessment Panel of the ASC Curriculum Committee reviewed the course proposal for Landscape Architecture 2600E. Please find below the Panel's feedback for this course.

The Panel did not vote on the proposal as they would like the following points addressed:

- Please update page 4 of the syllabus so that the "Activities" section includes the requirements for honors students. The Panel sees the honors information on page 5, but this should also be reflected on page 4.

I will return Landscape Architecture 2600E to the department queue via curriculum.osu.edu in order to address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Pok-Sang Lam (faculty Chair of the Assessment Panel; cc'd on this e-mail) or me.

Best,
Emily
