Good evening,

On Thursday, April 14, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the course proposal for Music 3010. Please find below the Panel's feedback for this course. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

MUSIC 3010 | Unanimously approved with *two (2) recommendations*

- *RECOMMENDATION: The Panel recommends double-checking the dates on the course schedule, particularly those pertaining to labs, as certain weeks appear to overlap and/or display contradicting calendar information.*
- *RECOMMENDATION: The Panel suggests using the term "recitation" in place of "lab" since this might become a point of confusion for other committees as the course moves through the approval process.*

Music 3010 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily

Emily K. Cody, Ph.D.
