Good morning, Beth —

On Thursday, February 24, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed the course proposal for English 3264. Please find below the Panel's feedback for this course. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

ENGLISH 3264 | Unanimously approved with one (1) comment

- COMMENT: The Panel notes that the goals and ELOs for GE Theme Health and Wellbeing have changed since the Themes Panel initially approved this course, and asks that the department update the syllabus accordingly; additionally, the General Themes goals and ELOs should also appear in the syllabus. The complete list of goals and ELOs is available here: <https://oaa.osu.edu/ohio-state-ge-program>

English 3264 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily

Emily K. Cody, Ph.D.
