Dear Professor Braun,

Recently, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "More than Just Recipes: Exploring American Cookbooks".

I am happy to report that the proposal was unanimously approved by the faculty panel. The Panel only had two recommendations, and they are as follows:

- **Recommendation:** The Panel ask that the course number, 1137.xx, be added to the course syllabus before it is taught.
- **Recommendation:** The Panel recommends updating the disability statement to the most up-to-date version, which can be found on the ASC Curriculum and Assessment Services website at: asccas.osu.edu/curriculum/syllabus-elements.

If you have any questions about this feedback, please do not hesitate to talk to David Staley (faculty panel of the A&H1 Panel), or me.

Additionally, I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar!

Best,
Michael
