Good morning,

On Tuesday, March 1, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed the course proposal for FRIT 3301. Please find below the Panel's feedback for this course. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

FRIT 3301 | Unanimously approved with **one (1) contingency** and *one (1) recommendation*

- **Contingency: The Panel asks that all references to Embedded Literacies be removed from the syllabus, as this is major specific and can be confusing for students.**
- *Recommendation: The Panel kindly notes that, on the first page of the curriculum map, in the highlighted section, 3061 should read 3160.*

I will return FRIT 3301 to the department queue via curriculum.osu.edu in order to address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Mat Coleman (faculty Chair of the SBS Panel; cc'd on this e-mail) or me.

Best,
Emily

Emily K. Cody, Ph.D.
