Good morning,

On Friday, April 1st, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Health and Wellbeing request for MEDCOLL 4660 and 4600E. Please see below for the Panel's feedback.

The Panel voted to unanimously approve both proposals with one contingency and two recommendations. As a reminder, the Panel's contingency must be satisfied in a revision and resubmitted to the Panel while the Panel's recommendations may be implemented when the course is next taught.

- **Contingency:** The reviewing faculty ask that all the GE Goals and ELOs be listed for the category. The General GE Goals and ELOs can be found on page 26 of the GE implementation report found here: <https://oaa.osu.edu/sites/default/files/uploads/general-education-review/implementation/report/GE-Implementation-Report-Summary.pdf> Additionally, they ask that ELO 3.2 be updated, as it recently has been revised.
- **Recommendation:** The reviewing faculty recommend that the department consider potential student enrollment issues, as a three-hour course on a single day may deter students from enrolling within the course due to scheduling conflicts.
- **Recommendation:** The reviewing faculty recommend clarifying whether the final exam is take-home within the course syllabus.

I will return MEDCOLL 4660 and 4660E to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes Panel, Megan Amaya or Eden Lin, faculty co-Chairs of the Theme Advisory Group: Health and Wellbeing, or myself.

Best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
