Good afternoon,

On Thursday, March 24<sup>th</sup>, the Assessment Panel of the ASC Curriculum Committee reviewed a distance learning proposal for Geography 5229.

The Panel unanimously approved the request with one recommendation:

- **Recommendation:** The Panel recommends, on page 2 of the course syllabus, aligning the information underneath the “Participating in online activities for attendance” section with the information in the Distance Learning Cover Sheet to more accurately portray student workload expectations.

Geography 5229 will continue through the approval process.

Should you have any questions, please do not hesitate to reach out to Pok-sang Lam, faculty Chair of the Assessment Panel, or myself.

Best,  
Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
