Good morning,

On Thursday, July 14th, the Themes Panel of the ASC Curriculum Committee reviewed new GE Theme: Citizenship for a Diverse and Just World proposals for History 5255 and 3676. Please see below for the Panel's feedback:

History 5255 was unanimously approved.

History 3676 was not voted on as the Panel would like the follow feedback items addressed:

- The reviewing faculty ask for further clarification and explanation in the course syllabus about how the course will be engaging in the topic of citizenship and meeting the GE Goals and ELOs. Specifically, they would like to see an elaboration on how the course will be an advanced study course in the idea of citizenship, as currently it seems to be only an advanced study course in the idea of leadership.
- The reviewing faculty request a cover letter be submitted that details any changes made in response to the feedback provided by the Panel.

I will return History 3676 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback while History 5255 will continue through the approval process.

Should you have any questions regarding this feedback, do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes Panel, Jeff Cohen, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

My best,
Michael
