Good evening,

On Thursday, August 11, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Citizenship for a Diverse and Just World request for Islamic Studies 3201. Please see below for the Panel's feedback.

ISLAMIC STUDIES 3201 | Unanimously approved with **one (1) contingency** and *two (2) recommendations*:

- **CONTINGENCY:** The reviewing faculty note that the feedback cover mentions the course title as it appears in the syllabus, "Muslims in America and Europe: Citizenship and Living Between Worlds," has also been amended accordingly on curriculum.osu.edu (replacing the word "citizenship" for "migration"). However, the title of the course on curriculum.osu.edu still reflects the older course title of "Muslims in America and Europe: Migration and Living Between Worlds." The reviewing faculty request that the course title on the curriculum.osu.edu form be amended to match that found on the syllabus.
- *RECOMMENDATION:* The reviewing faculty recommend double-checking the syllabus to ensure that any language intimating that this version of the course takes place in an online format is edited accordingly. For example, on page 13 of the syllabus, there is a reference to "synchronous/live" lecture sessions.
- *RECOMMENDATION:* On page 7 of the syllabus, the reviewing faculty suggest removing the mention of university-issued iPads, as this resource is no longer available to students.

I will return Islamic Studies 3201 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions regarding this feedback, please do not hesitate to contact Jim Fredal, faculty Chair of the ASCC Themes Panel, Jeff Cohen, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or myself.

Best,
Emily

Emily K. Cody, Ph.D.
