Good afternoon,

On Friday, September 16, the Themes Panel 1 of the ASC Curriculum Committee reviewed the course proposal for Sociology 3302. Please find below the Panel's feedback for the course.

The Panel did not vote on the proposal as they would like the following points addressed:

- The reviewing faculty ask that the syllabus more actively demonstrate with clearer and more direct specificity how the course will engage with the Goals and ELOs for the Citizenship for a Diverse and Just World theme. The implicit aspects of the Citizenship theme already embedded in the class structure should be made more explicit in the syllabus document, underscoring moments in the course — a certain assignment, for instance — that correspond with these Goals/ELOs. In this spirit, the reviewing faculty note that an effective way to help accomplish this would be to integrate parts of the GE Worksheet responses into the syllabus, as the department's responses on this form were substantive and well-articulated.
 - More specifically, the reviewing faculty ask that the course incorporate more student self-reflection (in service of Goal 4 and the corresponding ELOs), and that the syllabus document reflect this addition.

I will return Sociology 3302 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions about the feedback of the Panel, please feel free to contact Jim Fredal (faculty Chair of the Themes Panel 1; cc'd on this e-mail) or me.

Best,
Emily

Emily K. Cody, Ph.D.
