Good afternoon,

On Wednesday, September 6th, the Themes 2 Subcommittee of the Arts and Sciences Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for WGSS 3200.

At this time, the Subcommittee declined to vote on the proposal and would like the following feedback addressed in a revision:

- The reviewing faculty thank the course proposer for their work in revising the materials to better fit within the Citizenship category. However, at this time, they are unable to approve this revision and ask that it be made more explicit where this course will examine and engage with the ideas of Citizenship. They ask that the course, in both the syllabus and GE submission form, engage more thoroughly with GEN Goals 3 and 4, and their corresponding ELOs, to more holistically incorporate Citizenship within the course.
 - As a friendly recommendation, the reviewing faculty would like to mention that they believe this course could be an excellent fit for the Race, Ethnicity, and Gender Diversity category with a few minor tweaks to make the course content more foundational and would like to encourage the course proposer to consider submitting to that Foundations category instead.
- The reviewing faculty ask that a cover letter be submitted that details any changes made as a result of the provided feedback.

I will return WGSS 3200 to the departmental queue via curriculum.osu.edu in order to address the above feedback.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Birgitte Søland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, Ila Nagar, faculty Chair of the Themes 2 Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
