Good afternoon,

On Friday, December 9th, the Themes I Panel of the ASC Curriculum Committee reviewed a course proposal for Agricultural Communication 2330.

The Panel unanimously approved the request.

Ag Comm 2330 has already been advanced through the approval process and is fully approved by the University Registrar.

Should you have any questions about the work of the Panel, please feel free to contact Jim Fredal (Faculty chair of the Themes Panel, CC'd on this email,) or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
