---

Good afternoon,

On Thursday, April 28, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposals for Linguistics 2501 & 4052. Please find below the Panel's feedback for these proposals. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

LINGUISTICS 2501 | Unanimously approved with *one (1) recommendation*

- *RECOMMENDATION: The Panel encourages the department to indicate under which categories the course counts for both the Legacy GE and the GEN GE, clearly distinguishing between the two.*

LINGUISTICS 4052 | Unanimously approved with *one (1) recommendation* and one (1) comment

- *RECOMMENDATION: On page 6 of the syllabus, there is a reference to the course as an "online" class (e.g., "finishing problem sets offline"); the Panel recommends removing this language, as well as double-checking the syllabus document to edit out any similar discrepancies.*
- COMMENT: The Panel kindly notes that, should the department offer this course before it receives the desired GE Themes designation, the instructor should remove the respective Themes goals and ELOs from the syllabus for that term.

Linguistics 2501 & 4052 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,  
Emily

**Emily K. Cody, Ph.D.**
