Good morning,

On Friday, March 10th, the Themes 1 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Citizenship for a Diverse and Just World and High-Impact Practice: Research & Creative Inquiry request for Engineering 2301.

I am pleased to report that the Panel unanimously approved both requests.

Engineering 2301 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes 1 Panel, Birgitte Soland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

All my best,
Michael

Michael Hilty
