Good afternoon,

On Thursday, August 11, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Traditions, Cultures, and Transformations request for Philosophy 3210. Please see below for the Panel's feedback.

PHILOSOPHY 3210 | Unanimously approved with **three (3) contingencies**:

- **CONTINGENCY:** The reviewing faculty ask that the full and complete GE Goals and ELOs — as well as an explanatory paragraph outlining how the class intends to meet the Goals/ELOs for the Traditions, Cultures, and Transformations theme — be added into the course syllabus, per a requirement of General Education courses. The GE Goals and ELOs can be found here: <https://ascas.osu.edu/new-general-education-gen-goals-and-elos>
- **CONTINGENCY:** On the first page of the syllabus, the stated prerequisite for the course is different than that which appears on the curriculum.osu.edu form. The curriculum.osu.edu form states “three credit hours in Philosophy, or permission of instructor,” while page 1 of the syllabus designates “three credit hours in Philosophy other than 1500, or by permission of instructor.” The reviewing faculty request that the course prerequisite on the curriculum.osu.edu form be amended to match that found on the syllabus or vice versa.
- **CONTINGENCY:** The reviewing faculty note that the GE submission form does not provide an explanation of how the course will address ELO 1.2, and asks that this information also be included.

I will return Philosophy 3210 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions regarding this feedback, please do not hesitate to contact Jim Fredal, faculty Chair of the ASCC Themes Panel, or myself.

Best,
Emily

Emily K. Cody, Ph.D.
