Good morning,

On Tuesday, September 13th, the Themes 2 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Health and Wellbeing request for Philosophy 3430. Please see below for the Panel's feedback.

The Panel unanimously approved the request with one contingency and one recommendation:

- **Contingency:** The reviewing faculty kindly request that General Education ELO 3.2 be updated, as the official ELO was modified. The most up-to-date ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/new-general-education-gen-goals-and-elos>.
- **Recommendation:** The reviewing faculty offer a friendly reminder to update the course syllabus statements (such as Title IX, Disability, Academic Misconduct), to the appropriate campus-of-offering when the course is taught.

I will return Philosophy 3430 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions, please do not hesitate to reach out to Bill Putikka, faculty Chair of the ASCC Themes 2 Panel, Eden Lin, faculty Chair of the Theme Advisory Group: Health and Wellbeing, or me.

All my best,
Michael
