Good evening,

On Wednesday, August 31, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposal for Russian 5104. Please find below the Panel's feedback for this proposal. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

RUSSIAN 5104 | Unanimously approved with *two (2) recommendations*

- *RECOMMENDATION: On page 7 of the PDF, there is a mention of Pomerene Hall being the physical location of Student Life Disability Services (SLDS), which is an outdated address; the Panel recommends removing this reference so it does not contradict the correct address provided in the official SLDS syllabus statement toward the bottom of the same page.*
- *RECOMMENDATION: The reviewing faculty suggest that the department include the most up-to-date version of the University's Title IX statement, which can be found here: <https://asccas.osu.edu/curriculum/syllabus-elements>.*

Russian 5104 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily
