Good morning,

On Wednesday, September 14, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposal for Philosophy 1420. Please find below the Panel's feedback for this proposal. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

PHILOSOPHY 1420 | Unanimously approved with *four (4) recommendations*

- *RECOMMENDATION: For the purpose of demonstrating contact hours for the course, the Panel suggests including a "place holder" date and time for class meetings until the official information is available.*
- *RECOMMENDATION: In the final section on the bottom of page 6 of the syllabus, the word "description" appears twice in a row. The Panel offers a friendly recommendation to remove this typo.*
- *RECOMMENDATION: The Panel recommends including the page number ranges for assigned readings so that students have a better sense of their workload.*
- *RECOMMENDATION: The Panel suggests further clarifying when the reflection papers are due within the weekly timeline of the course schedule structure. For instance, at the bottom of the Week 2 block, there is a note that the first reflection paper is due — but is it due on Tuesday or Thursday of that week? Or even on a different day that week when class does not meet?*

Philosophy 1420 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily
