---

Good morning,

On Tuesday, October 25<sup>th</sup>, the Themes 2 Panel of the ASC Curriculum Committee reviewed new GEN Theme: Migration, Mobility and Immobility requests for Slavic 3340 and 3800. Please see below for the Panel's feedback.

Slavic 3340 was unanimously approved with one recommendation:

- **Recommendation:** The reviewing faculty recommend including a bibliography of all course readings, as they find this can help students in understanding their assignments and what their expectations are.

Slavic 3800 was unanimously approved with one contingency and one recommendation:

- **Contingency:** The reviewing faculty request that Student Life – Disability Statement, as found on page 5 of the syllabus, be updated to the most up-to-date version. SLDS has not been located inside Pomerene Hall for several years and is now located in Baker Hall. The most up-to-date SLDS statement can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/curriculum/syllabus-elements>.
- **Recommendation:** The reviewing faculty kindly suggest modifying the statement on page 3 of the syllabus that informs students they must be enrolled by the second full week of the semester, as it currently states that, "No requests to add the course will be approved by the Chair of the Department of History after that time".

Slavic 3340 will continue through the approval process and my office will advance the course to OAA while Slavic 3800 will be returned to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions, please do not hesitate to reach out to Bill Putikka, faculty Chair of the ASCC Themes 2 Panel, or me.

All my best,  
Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
