Good afternoon,

We have received the revisions to both Anthropology 5601 and 3340 and they have been reviewed.

I am pleased to report that Anthropology 5601 has met the contingencies of the Panel and will continue through the approval process. My office will advance the course to OAA.

Upon review, Anthropology 3340 has not met all the contingencies of the Panel. GEN Theme: Health and Wellbeing ELO 3.2, found on course syllabus page 2, has not been updated as requested by the faculty Themes 2 Panel. Please update GEN Theme: Health and Wellbeing ELO 3.2 to the most up-to-date version. The GEN Theme ELOs can be found in an easy to copy-and-paste format on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/new-general-education-gen-goals-and-elos>

I will return Anthro 3340 to the departmental queue via curriculum.osu.edu in order to address the Panel's remaining contingency.

Should you have any questions, please do not hesitate to reach out to me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the

Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.

Subject: Anthropology 3340 and 5601

Good morning,

On Tuesday, September 13th, the Themes 2 Panel of the ASC Curriculum Committee reviewed new GEN Theme: Health and Wellbeing proposals for Anthropology 3340 and 5601. Please see below for the Panel's feedback.

Anthropology 3340 was unanimously approved with two contingencies and one recommendation:

- **Contingency:** The reviewing faculty ask that the course syllabus include the GEL Diversity – Global Studies Goals, ELOs, and explanatory rationale, as this course is approved under the legacy GE program. The legacy GE program Goals and ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/legacy-general-education-gel-goals-and-elos>.
- **Contingency:** The reviewing faculty kindly request that General Education ELO 3.2 be updated, as the official ELO was modified. The most up-to-date ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/new-general-education-gen-goals-and-elos>.
- **Recommendation:** The reviewing faculty recommend, on page 11 of the course syllabus, clarifying the grading scale for students. Currently, it mentions that, "Final grades are based on the OSU standard grading scale". However, The Ohio State University does not have a standardized grading scale and faculty/instructors are free to utilize a grading scale that best serves the needs of their course. Additionally, on page 12 of the syllabus, they recommend removing the letter grade of D- from the provided scale, as The Ohio State University does not officially award the letter grade of D-.

Anthropology 5601 was unanimously approved with one contingency and two recommendations:

- **Contingency:** The reviewing faculty kindly request that General Education ELO 3.2 be updated, as the official ELO was modified. The most up-to-date ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/new-general-education-gen-goals-and-elos>.
- **Recommendation:** The reviewing faculty recommend making a more explicit connection to the category of Health and Wellbeing within the course syllabus, as currently the course descriptions and objectives do not include any language of health and wellbeing.
