Good afternoon,

On Wednesday, September 28, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposal for History 2711. Please find below the Panel's feedback for this proposal. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

HISTORY 2711 | Unanimously approved with *four (4) recommendations*

- *RECOMMENDATION: The Panel recommends including the number of credit hours for the course as well as the weekly class meeting day(s)/time in the syllabus document.*
- *RECOMMENDATION: The Panel recommends including information in the syllabus about where students can buy or access the textbooks for the course.*
- *RECOMMENDATION: On page 5 of the syllabus, the Panel suggests expanding the description about the group project: What form will the project take? Approximately how many students will be in each group? Will students submit a written paper in addition to the presentation?*
- *RECOMMENDATION: On page 5 of the syllabus, the Panel found the relationship between the "Course Requirements" descriptions and the stated categories in the grading breakdown unclear, as assignments are referred to by different names/phrases in each of these sections. The Panel recommends standardizing the terminology for course components throughout the syllabus so as to avoid student confusion.*

History 2711 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily
