Good afternoon,

On Monday, February 19th, the Themes II Subcommittee of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for Communication 3597.02.

The Subcommittee did not vote on the proposal, as they would like the following feedback items addressed:

- The reviewing faculty thank the course proposer for the incredibly detailed cover letter that deeply explains the changes made to the course. They ask that the information within the cover letter be woven into the course syllabus and assignment descriptions, as they believe this will strengthen the connections between the GEN Theme: Citizenship for a Diverse and Just World and the course content.
- The reviewing faculty ask that it be clarified what course materials will assist the course in meeting GEN Theme Citizenship ELO 1.2 surrounding the course being an in-depth, scholarly, exploration of the Theme. While they were able to abundantly see how the course will engage in an advanced, scholarly exploration of terrorism, they were unable to see how the course will engage students with an advanced study of Citizenship concepts utilizing terrorism.
- The reviewing faculty recommend updating the Student Life – Disability Services and Mental Health statements, as they were updated for the 2023-2024 academic year. The most up-to-date statements can be found on the [ASC Curriculum and Assessment Services website](#).

I will return the proposal to the School's queue via curriculum.osu.edu in order to address the above feedback.

Should you have any questions, please do not hesitate to reach out to Ila Nagar, faculty Chair of the Themes II Subcommittee, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
