Good afternoon,

On Wednesday, September 21st, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed new course requests for Korean 1101.61, 1102.61 and 1103.61. Please see below for the Panel's feedback.

- The Panel approves the requests for these courses but noticed several small discrepancies in the curriculum.osu.edu form that could potentially cause errors at the Office of University Registrar. With permission of the department, the ASC Curriculum and Assessment Services would like to make the following changes to the form in curriculum.osu.edu to prevent any future errors and for administrative clarity:
 - Currently the "Off-campus" section of curriculum.osu.edu is marked as "Always". For distance education courses, this should be marked as "Never", as that section is referencing courses that require students to go into the community to complete their coursework, such as service-learning courses.
 - Under the "Prerequisites and Exclusion" section of curriculum.osu.edu, there are currently no exclusions. The exclusions should be modeled after the in-person, respective, .51 courses.
 - Under the "Intended Rank" section of the curriculum form, all levels are currently checked off. For an undergraduate-only course, only Freshman, Sophomore, Junior and Senior should be checked off.
- The Panel asks that the department add the legacy General Education (GEL) Goals and ELOs to the syllabus for GEL Foreign Language. The legacy GE Goals and ELOs can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/legacy-general-education-gel-goals-and-elos>.

I will await the department's response before allowing Korean 1101.61, 1102.61 and 1103.61 to advance through the approval process.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Laura Podalsky, faculty interim Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael
