Good afternoon,

On Friday, April 28th, the Themes 1 Panel of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World request for Pharmacy 3540.

I am pleased to report that the Panel unanimously approved the revision with one recommendation:

- **Recommendation:** The reviewing faculty recommend allowing exceptions to the late policy for quizzes, as there may be legitimate reasons for a student missing a quiz and a student could be working with Student Life – Disability Services or Student Advocacy on finding solutions.

Pharmacy 3540 will continue through the approval process. My office will advance the course to OAA .

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the Themes 1 Panel, Birgitte Soland, faculty Chair of the Theme Advisory Group; Citizenship for a Diverse and Just World, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the

university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
