Good afternoon,

On Friday, March 31st, the Themes 1 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Origins and Evolution request both Astronomy 2140 and 2141.

I am pleased to report that the Panel unanimously approved the request.

Astronomy 2140 & 2141 have continued through the approval process and have been approved by the Office of the University Registrar.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the Themes 1 Panel, or me.

All my best,
Michael
