Good morning Jen and Birgitte,

On Friday, April 14<sup>th</sup>, the Themes 1 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Lived Environments request for History 2710.

I am pleased to report that the Panel unanimously approved the request.

History 2710 will continue through the approval process. My office will advance the course to OAA.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Jim Fredal, faculty Chair of the Themes 1 Panel, Lorraine Wallace, faculty Chair of the Theme Advisory Group: Lived Environments, or me.

All my best,  
Michael

*I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.*
