Good morning,

On Tuesday, October 25th, the Themes 2 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Migration, Mobility and Immobility request for AAAS 3376/History of Art 3102. Please see below for the Panel's feedback.

The Panel unanimously approved the request with one contingency and one recommendation:

- **Contingency:** The reviewing faculty ask that the courses' legacy General Education (GEL) Goals, ELOs, and rationale paragraph be added to the course syllabi, as this is a requirement of all General Education courses. AAAS 3376 & History of Art 3102 are approved for GEL categories Visual and Performing Arts and Diversity – Global Studies. The Goals and ELOs for the GEL can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/legacy-general-education-gel-goals-and-elos>.
- **Recommendation:** The reviewing faculty kindly note that the Arts and Sciences Curriculum Committee recently updated the Student Life-Disability Services and Mental Health statements with minor language changes. They are making faculty across the College aware of these updates and are asking units to update their syllabi and/or syllabi templates as applicable. The most up-to-date statements can be found on the ASC Curriculum and Assessment Services website at: <https://asccas.osu.edu/curriculum/syllabus-elements>.

I will return AAAS 3376/History of Art 3102 to the departmental queues via curriculum.osu.edu in order to allow you to address the Panel's feedback.

Should you have any questions, please do not hesitate to reach out to Bill Putikka, faculty Chair of the ASCC Themes 2 Panel, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
