Good morning,

On Tuesday, October 25th, the Themes 2 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Migration, Mobility and Immobility request for AAAS/History 3086.

I am pleased to report that the Panel unanimously approved the request with one recommendation:

- **Recommendation:** The reviewing faculty kindly suggest to the department modifying their prerequisite of English 1110 to be “Completion of GE Foundation Writing and Information Literacy course”, as English 1110 is not the only writing course available to students to take within the new GE program. Of course, the reviewing faculty recognize that some departments and programs may wish to keep their prerequisite of strictly English 1110 and merely offer this as a friendly suggestion.

AAAS/History 3086 will continue through the approval process and my office will advance the requests to OAA.

Should you have any questions, please do not hesitate to reach out to Bill Putikka, faculty Chair of the ASCC Themes 2 Panel, or me.

All my best,
Michael

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
