---

Good morning,

On Friday, October 28, the Themes Panel 1 of the ASC Curriculum Committee reviewed a request for AAAS 4610. Please see below for the Panel's feedback on this proposal. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

AAAS 4610 | Unanimously approved with **one (1) contingency** and *one (1) recommendation*

- **CONTINGENCY: The reviewing faculty ask that an explanatory paragraph outlining how the class intends to meet the Goals/ELOs for the Citizenship for a Diverse and Just World theme be added into the course syllabus, per a requirement of General Education courses.**
- *RECOMMENDATION: The Panel recommends removing any reference to an "OSU standard grading scheme (e.g., page 4 of the syllabus document)," as Ohio State does not have a standardized grading scheme.*

I will return AAAS 4610 to the department queue in order to address the Panel's feedback.

Should you have any questions regarding this feedback, please do not hesitate to contact Jim Fredal, faculty Chair of the ASCC Themes Panel; Jeff Cohen, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World; or myself.

Best,  
Emily

**Emily K. Cody, Ph.D.**
