Good afternoon,

On Wednesday, November 2nd, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course request for Theatre 3820. Please see below for the Panel's feedback.

The Panel unanimously approved the request with one contingency and two recommendations:

- **Contingency:** The Panel asks that additional information and clarity be added to the weekly discussion board assignments (the immersion posting and engagements, collectively worth 65% of a student's grade, and discussed on pages 6-7 of the course syllabus), as they are concerned that there is not enough information provided surrounding the scope of the assignments (word length, number of postings required, what students should be discussing, etc.) given they are worth such a large percentage of a student's final grade.
- **Recommendation:** The Panel recommends removing the "General Education Expected Learning Outcomes" heading on page 2 of the course syllabus, as this course is not currently part of the General Education program, and this could cause confusion to students.
- **Recommendation:** The Panel recommends clarifying the expectations of students on "immersion days". Is there an off-campus element? Are students expected to meet elsewhere on campus? Do they require any specialized equipment or materials?

I will return Theatre 3820 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback above.

Should you have any questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or myself.

All my best,
Michael
