Good afternoon Natascha and Matthew,

On Wednesday, November 2nd, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a change-of-level, course description, title change, and increase in credit hour request for German 3352. Please see below for the Panel's feedback.

The Panel unanimously approved the request with three contingencies and one question that they would like the department to respond to:

- **Contingency:** The Panel notices that the amount of contact time for this study abroad in the course syllabus is still only 3-credit hours and asks that the course proposer meet with Dr. Carmen Taleghani-Nikazm.1, who recently worked with ASC Assistant Dean for Curriculum Bernadette Vankeerbergen to develop a model for study abroad courses based on her Berlin course that the Panel recently approved. Her work and template will allow the course proposer to properly show how this course will be accounting for all 4-credit hours.
- **Contingency:** The Panel asks that the legacy GE (Cultures and Ideas and Diversity – Global Studies) Goals, ELOs, and explanatory rationale be added to the course syllabus. As a reminder, the GEL information can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/legacy-general-education-gel-goals-and-elos>.
- **Contingency:** The Panel asks that all new GE Goals and ELOs be added to the course syllabus, as currently only the Lived Environment-specific Goals and ELOs are included in the GE course syllabus on page 2. The full list of GEN Goals and ELOs in an easy to copy-and-paste format can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/new-general-education-gen-goals-and-elos>.
- **Question:** The Panel notices that, in the course description, the reference to the summer study program, as a whole, has been removed. However, on page 1 of the syllabus, this course is mentioned as "one of the three classes comprising the Summer Study Abroad Program in Dresden, Germany". The Panel would like to ask the department if a student is capable of enrolling in *only* this course as a General Education course, or if they are required to enroll in all 3 courses as part of the Summer Study Abroad program?

I will return German 3352 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback above.

Should you have questions, please do not hesitate to reach out to David Staley, faculty Chair of the Arts and Humanities 1 Panel, or me.

All my best,
Michael
