Good afternoon,

On Tuesday, November 22nd, the Themes 2 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Migration, Mobility and Immobility request for History and Jewish Studies 3465.

I am pleased to report that the Panel unanimously approved the request with one contingency:

- **The reviewing faculty ask that the legacy General Education (GEL) Goals, ELOs, and brief rationale be added to the course syllabus. There are objectives listed on page 1 of the course syllabus, but these are Goals and ELOs under the GEC, the GE program that was discontinued in 2012. As a reminder, History and Jewish Studies 3465 are approved for GEL Historical Study and the Goals and ELOs for the GEL can be found on the ASC Curriculum and Assessment Services website at: <https://ascas.osu.edu/legacy-general-education-gel-goals-and-elos>.**

I will return History and Jewish Studies 3465 to the departmental queues via curriculum.osu.edu in order to address the Panel's above feedback.

Should you have any questions, please do not hesitate to reach out to Bill Putikka, faculty Chair of the ASCC Themes 2 Panel, or me.

All my best,
Michael
