Good afternoon —

On Wednesday, November 9, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposals for History 2046, 2675, & 2702. Please find below the Panel's feedback for these proposals. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

HISTORY 2046 | Unanimously approved with **one (1) contingency** and *one (1) recommendation*

- **CONTINGENCY: The Panel kindly requests that the department remove the GEN Foundations: Historical and Cultural Studies Goals and ELOs from the syllabus document (page 3), as the curriculum.osu.edu form does not indicate that this course is requesting designation in this GEN category.**
- *RECOMMENDATION: The Panel recommends including the number of credit hours for the course in the body of the syllabus document (perhaps on page 1 with the other basic information provided about the class).*

HISTORY 2675 | Unanimously approved with *three (3) recommendations*

- *RECOMMENDATION: The Panel recommends revising the course to a fully asynchronous model, no longer including synchronous elements (optional or otherwise). If the course is listed as asynchronous yet also has synchronous elements (for example, the Tuesday/Thursday 9:30-10:50 a.m. course meetings mentioned on page 4 of the syllabus), students who might want to take part in the synchronous material could potentially have already scheduled another class over that time block, thus missing the opportunity to participate.*
- *RECOMMENDATION: On page 4 of the syllabus document, the Panel kindly notes that there is a typo in the first paragraph: "2 Credit hours and work expectations" should instead read "3 Credit hours and work expectations."*
- *RECOMMENDATION: The Panel suggests clarifying in the syllabus where assigned videos*

will be available for students to access, possibly providing links where applicable (e.g., if the clip in question is on YouTube).

HISTORY 2702 | Unanimously approved with *one (1) recommendation*

- *RECOMMENDATION: The Panel kindly notes that GEN Theme: Sustainability ELO 1.2 is missing from the breakdown that appears on page 3 of the syllabus document (N.B. ELO 1.2 does, however, appear in the chart following the Goals/ELOs breakdown on page 4).*

I will return History 2046 to the department queue in order to address the Panel's feedback; History 2675 & 2702 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail) or me.

Best,
Emily
