Good morning,

On Friday, January 27<sup>th</sup>, the Themes 1 Panel of the ASC Curriculum Committee reviewed a new GEN Theme: Citizenship for a Diverse and Just World request for Philosophy 2390. Please see below for the Panel's feedback.

I am pleased to report that the Panel unanimously approved the request.

Additionally, the Panel found the syllabus provided by Philosophy to be an exemplar that they would like to use as a model for submissions to the GEN Theme: Citizenship for a Diverse and Just World category. The ASC Curriculum and Assessment Services office maintains a list of model GE syllabus, which can be found here: <https://ascas.osu.edu/gen-sample-proposals>.

If the department is willing, my office would like permission to post this syllabus to the webpage above. In order to do so, I need the following permissions:

1. Permission from the department, in the form of the Undergraduate Studies Director
2. Permission from the course instructor of the provided syllabus

Please let me know as soon as convenient if we have the above permissions, and I will post the syllabus to our website.

Philosophy 2390 will continue through the approval process and my office will advance the proposal to OAA.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes 1 Panel, Birgitte Soland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

All my best,  
Michael
