Good morning,

On Thursday, January 26, the Arts and Humanities Panel 2 of the ASC Curriculum Committee reviewed a request for Classics 3205. Please see below for the Panel's feedback on this proposal. {N.B. **Contingencies (bolded)** require revision and resubmission to the Panel chair, while *recommendations (italicized)* or comments are suggestions from the Panel that an instructor can implement at their discretion when the course is taught.}

CLASSICS 3205 | Unanimously approved with *two (2) recommendations*

- *RECOMMENDATION: The Panel recommends including the page range numbers for all reading assignments and the running time for all podcasts in the syllabus course calendar (found on pages 13-19 of the document) so students can gauge how much preparation time is necessary for homework in the class.*
- *RECOMMENDATION: The Panel recommends that the syllabus feature the most current SLDS statement (found on pages 12-13 of the document). The up-to-date language is available here: <https://asccas.osu.edu/curriculum/syllabus-elements>*

Classics 3205 will continue through the approval process.

Should you have any questions regarding this feedback, please do not hesitate to contact Eugenia Romero, faculty Chair of the A&H2 Panel (copied on this e-mail), or myself.

Best,
Emily
